Additionally, the University completed the most successful capital campaign in its history, raising more than $1.4 billion, and launched an Innovation District initiative to create UGA's campus of the future, where students and faculty partner with industry to generate ideas and solutions to continue the University's role as a powerful driver of economic development in Georgia. JOSH BROOKS
J.REID PARKER
DIRECTOR OF ATHLETICS

Josh Brooks was named J. Reid Parker Director of Athletics Jan. 6, 2021, after serving 11 years at UGA most recently as Interim Director of Athletics and Senior Deputy Director of Athletics.

Brooks returned to UGA in 2016 as Executive Associate Director of Athletics after serving as Deputy Athletics Director at the University of Louisiana Monroe from 2015-16 and Director of Athletics at Millsaps College from 2014-15.

Prior to his tenures at Millsaps and ULM, he had served in capacities at UGA as Director of Football Operations (2008-11) and Assistant and Associate Athletic Director for Internal Operations (2012-14).

On January 20, 2021, Brooks pledged $100,000 to create a need-based scholarship that will support UGA students from Athens-Clarke County. His gift will create a Georgia Commitment Scholarship (GCS), adding to the more than 550 endowed, need-based scholarships created under the GCS program since its launch in January 2017.

During his time at UGA, Brooks worked closely with former Director of Athletics Greg McGarity overseeing internal and external for all athletic operations. He has served as the liaison with the Office of University Architects office on all athletic construction projects and with several campus departments as well as the president's office. His responsibilities at UGA have included overseeing the departments of facility support, graphics and design, and turf management.

He has been involved in the scheduling of future football games as well as overseeing bowl game operations. In addition, his responsibilities included assisting with the development and management of facilities, new construction projects for the Athletic Association, and planning the 2013 Jason Aldean Concert in Sanford Stadium. Brooks has also served as the sport facilitator for football and men's and women's track and field and cross country.

During his time at Millsaps, Brooks revamped the Major game-day experience. He created the kid's zone, specialized concessions, and partnerships with youth sports leagues. Partnerships with the Jackson Public Schools, the Jackson Zoo, the National Guard and the Boy and Girl Scouts of America added to game days. This enhanced experience helped Brooks solicit over $100K in sponsorship opportunities.
Brooks also established a department-wide fundraising campaign that led to a 150 percent increase in Major-Club donations. Capping off this fundraising campaign was the creation of a standalone Hall of Fame event at the Capital Club and the Mary Ann Edge Golf Tournament held at Patrick Farms golf course.

The Majors also saw great athletic success in Brooks' first year. The Majors enjoyed two SAA regular season championships, captured by the men's soccer team and the women's basketball team. The Millsaps' baseball team also earned a trip to the West Regional tournament. The student-athletes also shined in the classroom in Brooks' first year. Millsaps' student-athletes had an overall grade-point-average of 3.0 in the 2014-15 academic year. Over 130 Majors' earned Academic All-Conference honors.

Brooks also served as director of football operations at the University of Louisiana-Monroe beginning in 2004, and in 2007 ULM became bowl eligible for the first time in school history after beating Alabama. Brooks gained experience as a student at Louisiana State University, working as an equipment manager and a student assistant coach. During his four years at LSU, the Tigers participated in the 2000 Peach Bowl, 2002 Sugar Bowl, and won the 2001 Southeastern Conference championship.

A native of Hammond, La., he graduated from LSU ('02) with a degree in Kinesiology and completed his Master's degree in Sport Management from The University of Georgia ('14). He and his wife, Lillie, have twin sons, Jackson and James, born in July of 2009 and a third son, Davis, born in March of 2012.

THE HISTORY AND TRADITION OF GEORGIA GYMNASTICS

There are many words that could be used to describe the Gymdogs at the University of Georgia. Without question the one constant word that has earmarked the program is success. Seventy-eight gymnasts have earned 395 All-American awards, and Georgia gymnasts have won 42 individual NCAA titles. Georgia leads the country in number of NCAA individual titles.

In collegiate gymnastics, no program boasts more excellence, consistency and rich tradition over a span of a quarter century than Georgia, and the woman behind the success was Suzanne Yoculan.

Twenty-five years, ten NCAA Championships, 16 SEC Championships, 40 individual titles, 72 All-Americans and an absolute plethora of rabid gymnastics fans later, it appears that the Gymdogs have...well more than accomplished the lofty goals which Suzanne Yoculan set for the program in 1984.

In her first season, Yoculan led Georgia to its first-ever appearance in the NCAA Championships, which resulted in a modest ninth place finish. But it was only the beginning. Three years later in Salt Lake City, the Gymdogs stood atop the awards stand as NCAA Champions. Two years after that in Athens, Ga., the Gymdogs had their second national championship, winning it in front of the hometown fans and holding off top-seeded UCLA by a margin of .05. And four years later in 1993, Georgia won the NCAA's with arguably the greatest team ever. At the 1993 NCAAs in Corvallis, Ore., Georgia became the first collegiate team to score a 198.0, a feat that would not be accomplished again for another three years.

Five years later in Los Angeles the Gymdogs would once again emphatically make their mark on the collegiate gymnastics world, winning their fourth NCAA Championship by the largest margin of victory in more than ten years and finishing the year with an unblemished mark of 35-0.

Not to be outdone, the 1999 team would continue the standard of excellence set forth by its predecessors, but not without a little bit of drama. The 1999 Gymdogs won the program's fifth title and like the 1993 and '98 teams before them, did it by going undefeated at 32-0.

In 2005, not many could have predicted the run the Gymdogs made to their sixth national title. Georgia lost four consecutive meets during the year and nearly missed qualifying to nationals with a disastrous regional meet that included four falls on the balance beam. But the team did qualify, and entered the NCAA Championships seeded 12th out of 12 teams. When the Gymdogs left Auburn, Ala., they walked out as champions.

One word says it all when discussing Georgia's national championship run of 2006: domination. At the conclusion of the regular season the Gymdogs were the top ranked team on every event, something Georgia had not accomplished since 1998. The 2006 Gymdogs won the program's seventh national title and recorded an undefeated record of 36-0 for the fourth undefeated season in the program's history. No other team has done it once.

Georgia captured its third consecutive NCAA national title and eighth overall by defeating the field in Utah's Huntsman Center in 2007 with a 197.850. It was the fourth-highest score of any national champion since the Super Six format was implemented in 1993. The Gymdogs did it despite losing two of their top gymnasts to season-ending injuries.

The Gymdogs once again proved to be the best team in the country as they won their fourth straight national title with a 197.450 at Stegeman Coliseum in 2008. It was the fourth time the NCAAs were held in Athens and Georgia's second time winning at home. UGA concluded the year with a 31-2 record, winning all three postseason titles -- SECs, Regionals and NCAAs.

The Georgia gymnastics team found the perfect way to send Coach Yoculan into retirement in 2009: winning another NCAA title. The Gymdogs claimed the program's 10th national title to become the first team to reach double figures. Georgia also won its fifth straight title to close the career of its venerable coach in style. Senior Courtney Kupets, who won her third all-around title, paced the Gymdogs with a career-best four-event score of 39.9. Kupets had 10.0s on bars and vault as well as 9.95s on beam and floor.

After winning her fifth straight national title in 2009 and 10th overall, Yoculan retired and worked the next four years as a color analyst for ESPN's nationally televised college gymnastics meets. She served as an analyst for the NCAA Championships when ESPN began broadcasting the event in 2012. She also served as a color analyst for SEC meets televised by CSS.

No other program in the country maintained the level of success in 26 years that Yoculan produced during her tenure in Athens. She guided Georgia to an NCAA-best 10 national championships (including the last five in a row), 16 Southeastern Conference titles and 22 NCAA Regional crowns. Yoculan's teams placed in the nation's top three in 21 of her last 22 years.

Yoculan's work was recognized by her peers as she was chosen as the National Coach of the Year five times (1987, '93, '98, 2006, '08) and the SEC Coach of the Year eight times. (1986, '87, '99, 2001, '02, 04, '08, '09). She ended her career with an overall record of 834-117-7.

A constant throughout her 10 national championship seasons was a coach who knew what it took, someone with the experience and charisma to take a team to the top level and keep it there. That is what Yoculan provided the Georgia gymnastics program with for 26 years.

In 19 of her 26 years as head coach at Georgia, Yoculan led her team to either an SEC title, an NCAA title or both. That means she won a championship in more than 70 percent of her tenure, not to mention finish at least third in the conference, the nation or both all 26 years. Not many coaches in gymnastics or any sport can boast numbers like that.

The key to her teams' successes, according to Yoculan, was developing the proper chemistry where all individuals understand and embrace their roles and then having proper communication among those involved.

Through the perfect balance of chemistry and communication, Yoculan led her share of top-notch gymnasts through the program. There was at least one Gym Dog standing atop the podium as an individual event winner in 14 of her last 19 years.

The Gymdogs enjoyed as much success academically as athletically under Yoculan. In 2009, seven Gymdogs earned a place on the SEC Academic Honor Roll and two were chosen for the Academic All-America Team.

Yoculan claims the academic achievement is a direct result of proper communication with the team about how important academic excellence is coupled with athletic excellence.

In addition to competitive success, Yoculan created a culture of mass exposure for the program. Despite the humble beginnings, she brought attention to the Georgia gymnastics program which is virtually unparalleled anywhere else in the country. It took more than good teams to increase average attendance at Georgia gymnastics meets from less than 200 in 1983 to an average of nearly 10,000 fans per meet in 2008.

Yoculan communicated about her program in almost every way imaginable. She is a dynamic speaker, traveling throughout the country to convey her experiences in eating disorders among female athletes, fitness, sports promotion, personal motivation and leadership. Most of all, she is asked to speak about developing team chemistry and its importance in accomplishing success.

Yoculan did a weekly TV show during the season, which discussed past meets and gives news and insights on several facets of Georgia gymnastics. "The Suzanne Yoculan Gymdogs Show" was broadcast nationally on CSTV and throughout the Southeast on CSS and Fox Sports Net. She also released her first book on collegiate gymnastics titled "Perfect 10," which chronicles the history of Georgia gymnastics and college gymnastics across the nation.

Yoculan fostered growth and ever-increasing support of the Ten-0 Club, the Georgia gymnastics booster club, which is the largest in the nation with more than 800 members. Before the 1996 season, she initiated the establishment of the first renewable season ticket program in the nation for a women's collegiate team. More than 5,000 season tickets are sold each year now. As a step toward Georgia gymnastics' financial self-sufficiency, season ticket holders contribute to a scholarship endowment fund in order to retain the same seat location every year.

An active member of the Athens community, Yoculan was the honorary chair for the Northeast Georgia's United Way 1998-99 campaign. In 2003 and 2005, Yoculan and the Gymdogs teamed up with the Athens Area Habitat for Humanity to help in the construction of an all-women's project.

After former Gym Dog Talya Vexler was diagnosed with breast cancer, the team joined Athens Regional Medical Center to raise awareness for breast cancer and the new ARMC Breast Health Center. Yoculan led the drive that raised $100,000 for the new center, which was dedicated in February of 2005. In recent years, Georgia has had a "Pink Out" meet to increase exposure of breast cancer and to continue support ARMC by raising money through auction items like a pink scooter.

Yoculan and the Gymdogs also teamed up with Special Olympics to teach gymnastics to special-needs children once a week. In November of 2001, Yoculan was roasted for charity, an event that raised more than $25,000 for three worthwhile causes. She won the Atlanta Athletic Club's 2008 W.R. McGriff Award, which honors recipients who exemplify excellence in sports while demonstrating characteristics of an upstanding citizen and role model. Yoculan also was inducted into the prestigious Blue Key National Honor Society in 2008. She was inducted into the State of Georgia Sports Hall of Fame in 2010.

In April 2014, "Sarah and Suzanne" aired as part of ESPN Films' SEC Storied series. The documentary chronicled the careers of Yoculan and Alabama head coach Sarah Patterson.
